Account # 146161

Dear Customer:

I am contacting you in regards to the above account because we haven't seen any activity on it for a significant period of time. In an effort to keep our customers informed of their accounts with us, we periodically review the account status of each individual account. When we discover there is no activity on an account for at least 12 months, we notify the owner of that account. This is done for several reasons:

When the account hits 24 months with no activity, we consider it "dormant." At that time, we begin charging a monthly service fee. We don't like charging this fee... therefore, we make every attempt to contact our customers so they may make a small transaction to remove the account from the "inactive" status.

After 5 years of being inactive (and three years of monthly charges), we are required to send any dormant funds to the South Dakota State Treasurer's office. The money we send is still yours... it's just harder to obtain and no longer earns interest.

To move your account back to an active status at the bank and to keep it there is simple:

Each year, make a deposit to or withdrawal from this account, in any amount.

Transfer money to or from one of your more active accounts

Contact our bookkeeping department and authorize them to make a transaction to keep your account in "active" status. Regulations do not permit us to do this without proper notification from the customer. Regulations also do not permit us to make "assumptions" on behalf of the customer, even if they have multiple, active, accounts with us.

Another way to keep your account from hitting "dormant" would be to update us on any address changes that may hinder us from contacting you in the future.

Please contact us regarding this account at your convenience so we may treat it in your best interests.

Sincerely,

Lee Gass
